

VISION STATEMENT

We are an involved and connected community...

Seekers, questioners and believers at various stages on the journey.

We are nurtured and challenged by the presence of the Spirit to find depth and meaning for our lives and to engage our neighbourhood near and far in living lives of justice.

Seeking to follow the way of Jesus, we dare to live God's hope in our time and context.

Our greatest gift is our multi-age community in which we treasure our roots and heritage and embrace the wisdom of the new.

All are welcome and each one enriches our whole to continue God's unfolding story in our midst.
